### Thank You!

NPM Credit Union would like to thank our members who celebrated and participated with us during our 75th Anniversary Celebration. We appreciate your membership through the years. Again, congratulations to our winners.

There's never been a better time for credit union members to Invest in America. That's why credit unions have teamed up with U.S. automakers to offer members great discounts on new American made vehicles.

All eligible current and new credit union members have the unique opportunity to get a great discount on a new vehicle from either GM or Chrysler. While the discounts vary depending on which vehicle you choose, everyone will drive away with a great deal.

The deal gets even better when you finance your vehicle with us. Thanks to our lower interest rates, your savings will really add up.

Call a loan officer today or go to [www.lovemycreditunion.org](http://www.lovemycreditunion.org) for more information!

NPM Credit Union is dedicated to helping you realize your financial goals—reducing your debt, saving for higher education, buying your first home, or planning for retirement. Which is why we are excited to announce your newest benefit of membership: Balance Financial Fitness Program.

Through Balance, you have access to free, unbiased money management information and assistance. All you have to do is make a toll-free phone call.

Balance counselors can answer many of your questions—like how long an item stays on your credit report. For more complex issues, such as debt elimination or budget development, an appointment will be scheduled—giving you the personal attention you need to meet your objectives.

If bills have gotten out of hand, your counselor may be able to arrange a Debt Management Plan. Balance negotiates with creditors to reduce interest and fees so you can pay your debt quickly and efficiently.
